

Internship in Global Creative Industries

Apart from the internships offered by the Programme, students can also search for internships by themselves. We encourage students to explore both local and overseas internship opportunities that are relevant to the programme. Please note that approval from the Programme Director is required to enroll in GCIN2005. To initiate the approval process, please submit the appointment letter together with the following details to smlc@hku.hk for our review:

- 1) Your full name in English and UID;
- 2) name and address of the company;
- 3) the period of the internship;
- 4) working hours and total working hours (please note that the total working hours should be at least 120 hours);
- 5) duties of the internship;
- 6) signature of the employer (the appointment letter should include the employer's signature);
- 7) justification of how your internship relates to GCIN.

After completion of the internship, you are required to submit a written report and we will need an evaluation form completed by your employer. We will provide you with the details of the submission requirements once your internship has been approved by the Programme Director.
