

JAPN2099 Japanese language II (Part 2)

Second semester 2023-24

In addition to the 4-hour grammar class you can register online, you are required to attend a 1-hour skill class every week. Once your registration for the grammar class is approved, please follow the path below to sign up for the skill subclass in the Portal from **10 AM on 17 January to 4 PM on 29 January 2024**. Places will be filled on a first-come-first-served basis.

Login in Portal → click 'My eLearning' → Tutorial Sign-up → Click the 'Register' hyperlink and access to choose tutorial groups (i.e., skill subclass).

If you wish to change the skill subclass you are already enrolled in, you may do so by first dropping the subclass originally enrolled and then registering for another subclass during the period stated above.

★Those students required to take the placement test, please follow the path above to sign up for the skill class online when your registration for the course is approved.

★The **skill class starts from the week of 22 January 2024**. You are required to attend the first lesson even if your registration for a certain subclass has not yet been successful.

★At the end of the add/drop period, if you are still unable to register for the only subclass that you can attend due to a time clash with another course, you may request assistance by **emailing a screenshot of your SIS timetable** to the School office (smlc@hku.hk). Please include your full English name, University number, and the subclass you are requesting in your email. Please note that only time clashes with other enrolled courses may be considered for such requests.
