

JAPN2088 Japanese language II (Part 1)

First semester of 2024-25

In addition to the 4-hour class that you register in Portal, you are required to attend a 1-hour skill class every week. Once your registration for the grammar class is approved, please follow the instructions below to sign up for the skill class from **10 AM on September 4 to 4 PM on September 16, 2024**. Places will be filled on a first-come first-served basis.

Login in Portal → go to 'My service' → click 'My eLearning' → Tutorial Sign-up → Click the 'Register' hyperlink and access to choose tutorial groups (i.e., skill subclass).

★The skill class starts from **the week of September 9, 2024**. You are required to attend the first lesson even if your registration for a certain subclass has not yet been successful.

★ After the add/drop period has ended, if you are still unable to register for the only class that you can attend because it clashes with another course, you can email **a screenshot of your SIS timetable** to the School office at smlc@hku.hk. Include your full English name, University number, and the class you are requesting in your email. Note that only time clashes with other enrolled courses will be considered for such requests.
